ABOUT ME

Computer Science graduate with a Diploma in Information Technology (DIT). While I am still growing my technical skills and gaining experience, I am eager to learn and contribute to innovative projects as I continue developing my expertise in the field

EXPERIENCE

24 months of hands-on experience as a Full-Stack Developer, working on both front-end and back-end development. Proficient in technologies including **HTML, CSS, JavaScript, React.js, Node.js, Express.js, MySQL**, and **Sequelize** to build responsive, user-friendly web interfaces and efficient backend APIs.
